I. Abstract

The Bureau of Indian Education (BIE) is seeking renewal for an information collection that would allow it to collect information regarding individuals' qualifications to serve on the Federal advisory committee known as the Advisory Board for Exceptional Children. This information collection requires persons interested in being nominated to serve on the Board to provide information regarding their qualifications. This information collection includes one form.

The Individuals with Disabilities Education Improvement Act (IDEA) of 2004, (20 U.S.C. 1400 et seq.) requires the BIE to establish an Advisory Board on Exceptional Education. See 20 U.S.C. 1411(h)(6). Advisory Board members shall serve staggered terms of two or three years from the date of their appointment. This Board is currently in operation. This information collection allows BIE to better manage the nomination process for future appointments to the Board.

Please note that an agency may not conduct or sponsor, and an individual need not respond to, a collection of information unless it displays a valid OMB Control Number.

It is our policy to make all comments available to the public for review at the location listed in the ADDRESSES section. Before including your address, phone number, e-mail address or other personal identifying information in your comment, you should be aware that your entire comment – including your personal identifying information – may be made publicly available at any time.
